Qualities of a Selborne Learner:

- Has good manners
- Knows how to recognize and solve problems
- Has respect for adults and other learners
- Accepts responsibility for his behavior

At Selborne Primary School we strive to achieve the following:

- To base our education and teaching on Christian values.
- The highest possible academic and cultural achievement from each learner.
- The development and application of our learners talents and skills.
- Good discipline in our school.
- Good two-way communication between school and parent community.
- To develop our learners socially and emotionally to be worthy members of the School Community

Our Headmaster: Mr.D.Voke
